### **Further notes on Parking.**

- Regrettably the capacity of the nearby Masonic Hall Car Park, in Stanton Road, is limited (total capacity is some 60 cars- 20 of which will be reserved for our specially Invited Guests), and it is clear that likely it will not accommodate all those wishing to use it.
- In an attempt to allay demand, we strongly encourage those attending to use Public transport, and if not possible, to travel together in vehicles with others.
- To maximise usage in Stanton Road, our Provincial Stewards will be in attendance to strictly direct ‘airport style’ parking ***ie. nose to tail.***- please note that when leaving after the dinner, there likely will be some delays in egressing the car park.
- Other than ***pre-reserved parking for some 20 especially Invited Guests***, a “first come first served” approach will be employed by the Stewards.
- **Only those brethren who are booked to dine will be admitted to the Stanton Road Car Park, and- we politely suggest “No entry” unless “car sharing” with two or more in a car.**
- **Alternative Parking** is available a 10 minute walk away @ Whitgift Public Car Park , Wellesley Road, Croydon CR0 1UP- weekend cost currently £4.00 all day- is opposite Jurys Inn and adjacent to the NCP car park.
